DAY 3 BUDAPEST – VIENNA- MS Symphonie (B,L,D)

Today upon arriving in Vienna, we depart by coach with your local guide. You will discover the Hofburg, which is also known for having been for 600 years the "Winter Residency" of the Habsburgs. Over the course of their reign, they turned this small 13th century fortress into a colossal and beautiful palace. The different buildings today mostly house museums and the gardens, dotted with monuments, have become the Volksgarten and the Burggarten.

We will climb up the Emperor's Staircase to reach the Sisi Museum which extends over six rooms that have been equipped to solely centre on Elisabeth's private life. Here numerous personal items that once belonged to Elisabeth are used to help illustrate the true personality of the frequently misunderstood Empress. The sensitively designed exhibits are inspired by the monarch's poetry and illustrate how the once light-hearted young girl, Sisi, became a restless, unapproachable, and melancholic woman. The more than 300 items on display in the museum include parasols, boxes and gloves which once belonged to Elisabeth, along with a reconstruction of the evening dress worn by 16 year old Sisi in 1854 before she left her home in Munich, and a replica of a section of her imperial railway carriage.

We will then move on to Imperial Apartments and access the 19 official and private rooms that once belonged to Franz Joseph and Elisabeth. The Imperial Apartments reflect the monarchic splendour. You will get to see the Emperor's Audience Chamber, his Conference Room, and his bedroom before peering through Elizabeth's apartments with her salons, lavatory and bathroom and her dressing and exercise room where Elizabeth spent most of her time.

Return to the boat.

Tonight, we discover Vienna by night with a panoramic coach tour. This two-thousand-year-old city is a true open-air museum. Vienna embodies Romanticism through its powerful architecture and numerous monuments. We will take the famous Ring which encircles historic Vienna, on the right bank of the Danube. Our coach will go past a multitude of buildings that were erected under the old Austro-Hungarian monarchy: The Opera, the City Hall, the Hofburg and many official buildings. We will stop at Schwarzenbergplatz with a monument in honour of Johann Strauss. Then, a walk around Albertina quarter will allow us to admire Hofburg Palace, the winter residence of the Habsburgs which today houses the Sisi Museum, as well as the Augustinian Church where Franz Joseph and Sisi's wedding was conducted. Return to the boat by coach
