## **DAY 13 AMSTERDAM - MS DOUCE FRANCE (B,L,D)**

After breakfast we depart for a guided panoramic tour of Amsterdam and visit to a diamond merchant. We will leave by coach for a guided tour of the city. Amsterdam is one of the most unique and extraordinary cities in the world. From its romantic canals to its world-renowned museums and historical significance, it is a city that never ceases to surprise. Our first stop will be the Riecker Windmill, a windmill located on the riverbanks of the Amstel River, south of the city. This mill was built in 1636 in the village of Sloten and was used as a polder mill for the polder of the same name (Riekerpolder). The pumping of the polder water was taken over by an electric pumping station in 1932 and, when the polder was dug, the mill was then dismantled to create, among other things, Lake Het Nieuw Meer. The mill was rebuilt in 1961 on the riverbanks of the Amstel, around 8 km (approx. 5 miles) away, between the roads leading to Kalfjeslaan and Borcht. This part of the Amstel banks, extremely popular with tourists and walkers, is a prime location for an old Dutch windmill. A statue of Rembrandt was erected close to this mill to remind us that the painter made many drawings on the banks of this river. Afterwards, we will head to the Diamond District to observe how the talented cutters facet the raw diamonds into the jewels we buy. Our guide will explain in detail how a diamond is valued. After our tour, you will be able to spend some time browsing the shop. We will hop back on our coach and continue towards the Bloemenmarkt, the famous floating flower market. One of the most fragrant places in Amsterdam in any seasons thanks to its thousands of flowers and multitude of varieties, this unique market will make your head spin! At the end of our visit, we will return to the ship by coach.

In the afternoon, Departure by coach in the company of your guides towards Haarlem. Known as the "City of Tulips", Haarlem has for centuries been the main production and export center for tulip bulbs. This charming town has been an inspiration for generations of painters throughout the centuries. We'll discover the Amsterdamse Poort (Amsterdam Gate) built in 1400 and the only vestige from the city's fortifications, the Grote Markt (Main Square), the Corrie Ten Boom House, used as a hiding place during World War II and the impressive Gothic Cathedral of St Bavo dating from the 14th and 15th centuries. In Haarlem, you will get the chance to see a great number of "beguinages", with the oldest dating back to 1395. Before heading back to Amsterdam, you will have some free time.

Return on board in Amsterdam by coach.
